Play Ball! Triple Play Summer Incentive Starts July 1

Summer is here, and so is our biggest Q3 push yet. Triple Play gives you three ways to win all season long, and every sale counts.

The incentive runs July 1 through August 31. Every qualifying sale earns a Rapid Rewards bonus and one entry into our end-of-summer prize drawing. Here are your three ways to score:

- New business sales
- VS7 Chemicals setups
- Mighty Brightline setups

The more you report, the more you earn and the more chances you have to win big. Bonuses are limited and awarded in the order invoices come in, so get in early and keep them coming.

Two attachments to get you ready:

- **At a Glance:** a one-page quick reference with the bonus levels and QR codes to the playbook and the reporting form.
- **Triple Play Playbook:** the full program, including eligibility, exclusions, reporting steps, and the complete prize lineup.

Start with the At a Glance, then dig into the Playbook before July 1 so you are ready to play on day one.

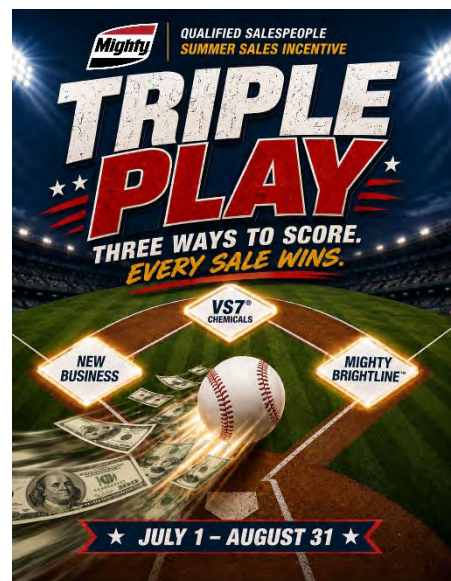

Let's make this our best summer yet!
